

MILLENNIUM HOTEL
ISLAMABAD

It is with much enthusiasm that I am writing to recommend the excellent product and after sale services of Aabshar Solutions Pvt. (Ltd). and endorsed the followings:

1. Plug n Play water optimizer that enhances the aesthetics of already installed taps with beautiful water flow of it, without replacing or damaging any hotel interior or property.
2. User Friendly & Amazing Experience without any compromise on water usage & time on both Kitchens & Washrooms.
3. Payback within 16 weeks.

Aabshar helped Millennium Hotel (PAFSOM Arena) in followings:

1. Reducing net water consumption up to 85% on each water taps.
2. Achieving water & energy sustainability.
3. Creating Eco-Friendly Building.

The company offers high quality product and instant support services to ensure the maximum impact on Water & Environment. We can say that as we are satisfied by their product, services qualities and above all water impact and reduction in operational cost of waste water treatment.

I highly recommend Aabshar for making your business water, energy cost sustainable. As they are the pioneer of water optimization in Pakistan.

Sincerely,
